Dear Parent or Guardian:

Norwood-Norfolk Central School District is pleased to announce access to your student's information via a smartphone app that is linked to SchoolTool. The following information should help you download the app, and make sure the settings are correct so that you can view your student's information directly on your smartphone.

For Apple/Android Users:

<p>1.)</p> <ul style="list-style-type: none">a) On your Apple smartphone/device, go into the Apple Store and search for "SchoolTool." The app should look like this. Click on where it says "Free," and then click on where it says "Install App."b) On your Android device, go to the Play Store and search for "SchoolTool." Once you find the app listed to the right, click on "Install."	 <p>The image shows two screenshots of the SchoolTool Mobile app. The top screenshot is from the iPhone App Store, displaying the app icon (a blue circle with a white 'S'), the title 'schooltool Mobile', the category 'Education', and a 'Free' price tag.
